

Have Your Say!

Collingwood Residents — we're counting on your input to shape the future of the Piazza. Your ideas will guide us in the design and future programming for this exciting project. Let's work together to create a vibrant space that reflects our community's spirit and vision for the Shipyards.

Join us as we work to build something truly special in Collingwood!

WHAT'S HAPPENING AT THE PIAZZA?

Exciting news! A new waterfront Piazza is set to transform our community between Huron St and Side Launch Way, just West of Harbour House. Aligned with the existing Waterfront Master Plan and Shipyards Public Realm vision, this project will provide high-quality design elements to enrich our public space.
