

# Raymond A. Barker Water Treatment Plant Expansion

## Contract 2 – WTP Expansion FIN2023-001T

Engage Collingwood Update #1

July 2024

## **Progress Photos**

Construction has started. Safety fencing is up.

Future site offices and contractor staging area.

## Project progress

Preparing the trailer and staging areas.

Shoreline reconstruction underway.

#### **Progress Since Last Update**

- We are excited to see construction work underway.
- Our contractor Kenaidan have set up construction fencing and are mobilizing on site.
- Tree protection is in place.
- Work on the reconstruction of the shoreline to protect our future water treatment is underway.
- The Public are reminded to please be mindful this is an active construction site with equipment entering and leaving regularly.
- Alternate routes for trail users have been published.
